Data

I am the Eid Gift

➡ And my beautiful journey begins

Among animals suitable for sacrifice

At the appropriate age

Healthy and clearly well

No disease, severe harm, break, or limp is visible on me

Cared for with kindness and gentleness

And I arrive at the time of Eid

Welcome, my friend!

I am the Eid gift, and I have a very special passport.

You might think my journey starts on the road... or at a house door... But the truth is, my journey began from a much more beautiful place.

In every station of my journey, I carry the beautiful meaning of Eid and leave behind a seal of good.

Are you ready?

Where does the Eid gift journey begin?
Write here or say it out loud

Station One: Good Intention

I opened the first page of my travel passport and found a stamp saying:

Good Intention:

Here begins the most beautiful journey

And when my journey begins with Good Intention, I remember that the Udhiyah is from the Sunnah of our Prophet Muhammad, peace be upon him, and it carries beautiful meanings like obedience, love, and giving.

At this station I learnt that good deeds can start from small intentions.

Color the heart 

Station Two: Beautiful Preparation

Before continuing my journey, I had to be ready for the journey.

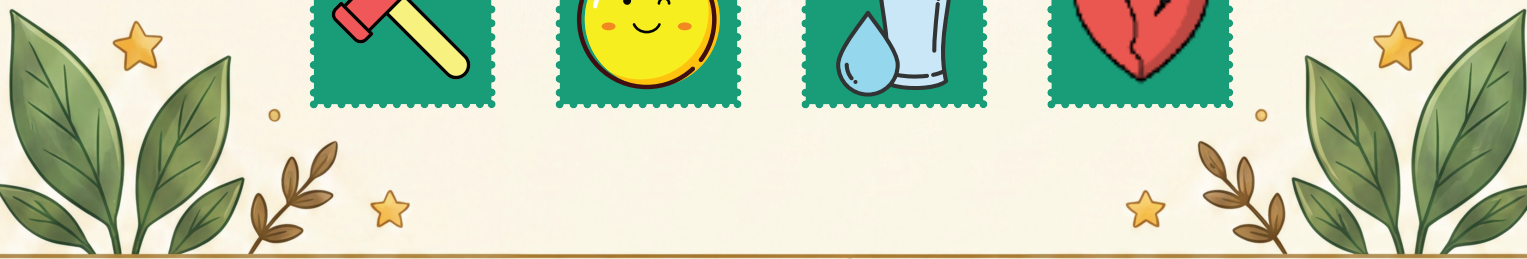

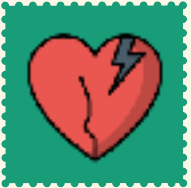

My journey is beautiful and correct when I am:

- Cared for 
- Safe 
- Of correct age 
- In good health 

Because journeys require beautiful preparation, and good always starts with care and attention.

Circle the items that show care and kindness

Station Three: Giving

After the **GOOD INTENTION** and **BEAUTIFUL PREPARATION** I continued my journey to a station I loved a lot:

I understood that Goodness is not just an idea but turns into BEAUTIFUL ACTION

For our Prophet Muhammad (PBUH) loved goodness for his nation and taught us to draw closer to Allah through obedience and that we feed, share and bring joy to hearts.

I am an EID GIFT and I don't just carry food... I also carry a beautiful meaning:

WHEN WE GIVE... GOODNESS GROWS

Complete the sentence

When we give...

Suggested answers: Goodness grows/
The joy of Eid grows

.....
.....

Then I arrived at a station filled with warmth

Sharing Station

SHARING

And here Eid becomes most beautiful because when joy is shared it does not decrease, it grows

IN THIS STATION

In this station goodness does not remain in one place but moves from house to house and from heart to heart

When we share Eid goodness, we live a beautiful practise from the Sunnah of our prophet Muhammad, peace be upon him: mercy, generosity, and bringing joy to others

**CONNECT THE HOUSES WITH THE JOURNEY LINE.
FIRST HOUSE - SECOND HOUSE - THIRD HOUSE**

I am the Eid gift,
and when I reach this station, I
know that my journey was not
ordinary... It was a journey that...

And finally...
I arrived at the most beautiful
station on my journey:

Joy Station

Here, Eid smiles appear,
hearts gather, and the meanings of
mercy and gratitude grow.

And from here I learned something:
Goodness when shared... reaches
many hearts.

My message... and promise for Eid

Now my journey has ended...
but goodness never ends.

And in every Eid,

we learn from the Sunnah of our Prophet Muhammad (PBUH) to be of the kindest heart, and more praising and thankful, and more loving of good.

Let this Eid gift be my passport filled with beautiful stamps:

Good intentions, beautiful preparation, giving, sharing, and joy.

And now it's your turn, my friend.
