WELCOME TO OUR MONTHLY ROUND-UP JUNE EDITION

Thank you for standing with us this month. Because of your generosity, Human Appeal has been able to reach families across Gaza, Iraq, Lebanon, Morocco, Pakistan, the Philippines, Somalia, Sudan, and Syria — providing hot meals, clean water, medical care, and safe shelter to communities facing some of the toughest circumstances imaginable.

In Gaza, your support helped deliver **millions** of hot meals and litres of clean water to families enduring an ongoing unimaginable crisis, **1,000** days on. In Sudan, we continued

to provide daily meals, clean water access, and life-changing prosthetic care. Across Syria, we supported farmers rebuilding their livelihoods, families returning to repaired homes, and a hospital that remains a lifeline for women and children in the northwest of the country.

None of this would be possible without you. Every meal served, every child given a safe space to play, and every family given clean water to drink is a direct result of your kindness and continued trust in our work.

Read on to see the full impact of your support this June.

GAZA
